RULES FOR PARENTS

WGGC RULES FOR PARENTS/GUARDIANS

- Help us to keep your child safe by encouraging them to learn the Rules for Gymnasts and to participate within them.
- Please try to ensure children arrive and are collected on time.
- Always come into the venue to deliver and collect your child. Never leave your child before the session begins as the coaches Duty of Care does not start until this time.
- If you decide your child can travel home unaccompanied, you will need to provide a signed letter of consent taking full responsibility for their safety and specifying the dates and times for which you give permission.
- Always ensure your child is dressed appropriately for the activity. Our dress code is bare feet, leotards or shorts/jogging bottoms and a T-shirt. Hair needs to be tied back wherever possible and all jewellery removed. Earrings for newly pierced ears can remain in place but need to be protected by plasters or tape. One of the coaches must be advised of all jewellery or body adornments worn for religious or medical reasons so that a risk assessment can be made regarding personal safety.
- You are welcome to stay and observe the class from the parents viewing room. ***Please note that no parents are allowed to enter the gym unless specifically requested to do so. Parents should refrain from intervening with discipline or coaching unless your help is requested.***
- Use appropriate verbal & body language at all times. Swearing, offensive language & aggressive or offensive behaviour will not be tolerated.
- Help your child to recognise good performance, not just results. Praise your child for effort and achievement, never punish or belittle a child for poor performance or making mistakes.
- Always pay class fees, competition entry fees & membership fees promptly.
- Share any compliments, comments, concerns or complaints with us and advise us of any change of circumstances eg. Medical concerns or change of address – especially a change in mobile phone numbers.
